BACKGROUND INFORMATION

Manly Deeds, Scholarship and Love for all Mankind are the aims of Alpha Phi Alpha Fraternity, Inc. In keeping with these aims, the members of the Beta Theta Lambda Chapter continue the tradition today. Annually, the Beta Theta Lambda Chapter awards the James M. Schooler, Sr. Scholarship for Boys. In 2007, Beta Theta Lambda began this project to go beyond our current giving and provide additional college scholarships and financial assistance to young men in the Durham community, and surrounding areas.

The Beta Theta Lambda Scholarship Beautillion is a vehicle to help support the educational dreams of our youth. In addition, it showcases some of Durham's finest career bound high school junior and senior males who have demonstrated a desire to excel in life, yet may lack some of the financial support and encouragement by peers and mentors needed to turn their dreams into realities.

Seven Categories of points, to include, completed application, attendance, un-weighted GPA, weighted GPA, fundraising, moral standing, and Final Event.. Each Beau is assigned a professional mentor from the fraternity.

Unlimited amounts in scholarships can be awarded at the cumulating Beautillion Event at North Carolina Central University. In addition to each Beau receiving a \$250 Book/College Scholarship (once the minimum criteria has been met), one beau will advance and be crowned Mr. Beautillion and he will receive 75% of his fundraising activity (group and individual). All book scholarships have already been calculated in all final Scholarships.

OFFICIAL APPLICANT PARTICIPATION REQUIREMENTS

Note: All nominees must be high school junior or senior males who plan to attend a college, university or vocational/technical school immediately upon graduation and have a minimum un-weighted cumulative grade point average of 2.000 on a 4.000 scale.

All official application forms, questionnaires, letters of recommendation, and participation agreement sheets **must be submitted as one package postmarked by Monday, December 28, 2009** and mailed to: Donald Barringer, ~ Alpha Phi Alpha Scholarship Beautillion – PO BOX 3522 | Durham, NC 27702. **All information must be printed or typed.**

Alpha Phi Alpha Fraternity, Inc.
A Brief History

Since its founding on December 4, 1906, Alpha Phi Alpha Fraternity, Inc. has supplied voice and vision to the struggle of African-Americans and people of color around the world.

Alpha Phi Alpha, the first intercollegiate Greek-letter fraternity established for African-Americans, was founded at Cornell University in Ithaca, New York by seven college men who recognized the need for a strong bond of Brotherhood among African descendants in this country. The visionary founders, known as the “Jewels” of the

Fraternity, are Henry Arthur Callis, Charles Henry Chapman, Eugene Kinckle Jones, George Biddle Kelley, Nathaniel Allison Murray, Robert Harold Ogle, and Vertner Woodson Tandy.

The Fraternity initially served as a study and support group for minority students who faced racial prejudice, both educationally and socially, at Cornell. The Jewel founders and early leaders of the Fraternity succeeded in laying a firm foundation for Alpha Phi Alpha's principles of scholarship, fellowship, good character, and the uplifting of humanity.

Alpha Phi Alpha chapters were established at other colleges and universities, many of them historically black institutions, soon after the founding at Cornell. The first Alumni Chapter was established in 1911. While continuing to stress academic excellence among its members, Alpha also recognized the need to help correct the educational, economic, political, and social injustices faced by African-Americans. Alpha Phi Alpha has long stood at the forefront of the African-American community's fight for civil rights through leaders such as: W.E.B. DuBois, Adam Clayton Powell, Jr., Edward Brooke, Martin Luther King, Jr., Thurgood Marshall, Andrew Young, William Gray, Paul Robeson, and many others. True to its form as the “first of firsts,” Alpha Phi Alpha has been interracial since 1945.

History of Beta Theta Lambda

In the early 1930's a handful of Alpha Brothers in Durham found some suitable degree of fraternal fellowship with the Phi Lambda Chapter in Raleigh. Because of the travel distance, and through tireless efforts of Brother John E. Payne, a Durham Graduate Chapter was formulated.

After considerable contacts, and a sanction from Phi Lambda, a local chapter was brought into being. The following brothers composed this group of Durham Pioneers in Alpha.

Charter Members

1. Bro. Alfonso Elder initiated into Eta Lambda Chapter, Atlanta, Georgia 1921
2. Bro. Augustus Heningburg initiated into Alpha Nu Lambda Chapter, Tuskegee, Alabama 1924
3. Bro. Lawrence H. Knox initiated into Alpha Eta Chapter, Harvard University, 1925
4. Bro. Robert P. Randolph initiated into Gamma Chapter, Virginia Union University 1928
5. Bro. James M. Schooler, Sr. initiated into Xi Chapter, Wilberforce University 1927, *Dean, entered the Omega chapter January 1, 2009.
6. Bro. James T. Taylor initiated into Phi Lambda Chapter, Raleigh, NC 1927
7. Bro. William J. Walker, Jr. initiated into Alpha Rho Chapter, Morehouse 1930
8. Bro. Carol T. Willis initiated into Eta Chapter, NYU 1928
9. Bro. John E. Payne initiated into Phi Lambda, Raleigh, NC 1929

Later Brother Charles L. Holmes of Phi Lambda Chapter was added to the list of Pioneers of Beta Theta Lambda in 1938. Beta Theta Lambda was officially founded on May 7, 1938. Pioneer Brother John E. Payne served as temporary chairman until the chapter was underway. Brother James T. Taylor became the first president. Shortly after the creation of Beta Theta Lambda, between the World War II years of 1941 - 1945, there was a period of inactivity. However the Chapter was revitalized in 1947 and has continued to thrive. The Chapter has proven to be a strong force of leadership and Service in the Durham Community sponsoring such events as the Black Business Expo, American Cancer Society Fundraisers, March of Dimes, UNCF, etc.

Additionally, Beta Theta Lambda went about the task of founding undergraduate chapters at local colleges and universities. Gamma Beta Chapter was founded in 1941 at North Carolina College, now known as North Carolina Central University. Kappa Omicron Chapter was founded on the campus of Duke University in 1975, and a year later, Mu Zeta Chapter was founded on the campus of the University of North Carolina at Chapel Hill in 1976.

Beta Theta Lambda has also received several civic and Fraternal awards. Most notable, Regional Chapter of the Year.
